

Leonardo Ferreyra

Full Stack Developer

leo.ferreyra060@gmail.com

Cel. +54 351 211-8582

Córdoba - Argentina.

[LinkedIn](#) [Github](#)

I am a university student in Computer Engineering with a great passion for everything related to the world of technology, be it programming or technological innovations themselves. My goal is to develop as a professional in Programming. I have the ability to work in a team and create a good work environment, as well as a great ability to solve problems. I was in charge of the versioning and testing of a joint work through GitHub.

TECHNOLOGIES

HTML, CSS, Javascript, React, Redux, Node.js, Express, Postgres, Sequelize, Scrum, Git, Github, Trello, C, C++, SASS, Heroku.

SOFT SKILLS

Emotional Intelligence

Ability to recognize our own feelings and those of others, to motivate ourselves and to properly manage relationships.

Empathy

Ability to connect emotionally with other individuals, being able to perceive, recognize, share and understand the emotions of the other.

Critical Capacity

Ability to evaluate data and lines of action to make logical decisions in an impartial and reasoned manner.

Problem Resolution

Ability to understand changes in the environment and establish their short, medium and long-term impact on the organization, optimize internal strengths, act on weaknesses and take advantage of opportunities in the context.

Flexibility

Ability to modify behavior, take a different kind of approach to ideas or criteria.
